SAS aims to provide significant opportunities for its students to become balanced and well rounded citizens. As such, the school recognizes that due to involvement in school approved activities, students may be absent from class for extended periods of time. The Assignment Contract provides students and teachers an opportunity to formulate a study plan to minimize the effect that absences have on student learning.

Policy:

Students who will miss classes due to school-sponsored or approved activities are expected to meet with their teachers **at least one week prior to departure** to negotiate commitments and plan reasonable timelines to complete work that will be missed.
